About the Liquid Legal Institute e.V.

The Liquid Legal Institute (LLI) is an open, interdisciplinary, non-profit platform dedicated to driving innovation in the legal sector. Our mission is to advance new ways of thinking, digital approaches, and innovative business models within the legal ecosystem.

We believe in collaboration, co-innovation, and simplification. We bring together experts from law, technology, design, and business to collectively shape the future of the legal ecosystem.

Your Mission

You will support our team in planning and executing both virtual and in-person events — from preparation through delivery. You will be actively involved rather than observing from the sidelines.

Your Responsibilities

- Planning and preparing events
- Coordinating with the Marketing and Communications team
- Organizing and delivering virtual and on-site events
- Providing on-site support at events (if required)

Your Profile

- You are an enrolled student with an interest in event management, communications, or organizational work
- You work in a hands-on, proactive, and structured manner
- You have excellent German and English language skills
- You are motivated to take responsibility and execute tasks independently
- You are willing to support events on-site when needed; ideally, you live in or near Munich

What We Offer

- Practical insights into professional event management
- Hands-on experience and exchange within an interdisciplinary environment
- Flexible working hours, ideal alongside your studies
- Collaboration with experts from various organizations

Interested?

We look forward to receiving your CV and hearing from you.
